

Hello,

Thank you so much for your interest in Extreme Faith Camp this summer.

COVID-19 continues to impact the ways in which we are able to gather, and thus how our parishes are able to carry out our regular ministry. With the governor's most recent update regarding social distancing, and the Archbishop's recommendations on how to structure the return to public Masses, our parishes, along with the council of our pastors, have decided to cancel Extreme Faith Camp. We will be issuing refunds on what you've paid for camp.

Despite the fact that we are unable to meet in person, our parishes are committed to finding ways to minister to your families during this time. In particular, we are working on a collaborative, family-focused weekday series targeted at our Middle School and High School students. This event will take place in early August, when we hope we will be able to have public gatherings while maintaining social distancing and safety protocols. We will be following the guidance of Archbishops and local government and safety will be a top priority as we plan this event. We will publish details of this event once they have been finalized in the near future.

Please let us know if you have any questions about Extreme Faith Camp. Be assured of our continued prayers for you, our campers, and your families.

Blessings,
